20. REMARKS, (Explanation of unsatisfactory evaluation is required. Other comments are optional, Provide facts concerning specific events or actions to justify the evaluation. These data must be in sufficient detail to assist Contracting Officers in determining the Contractor's responsibility. Continue on separate sheet if necessary.)

During the course of this project there were some rainy days and Souza Construction made sure that the equipment inside the building was protected which on one occasion this meant that the contractor had to come in during the middle of the night. Souza Construction Preformed this contract in a timely manner and with outstanding workmanship.
